Ganesh Festival Celebration at GBS, Hubli

Global Business School is a premier management institute situated at Bhairidevarakoppa, Hubli. Since its inception in 2007, it has set a tradition of celebrating Ganesh Festival every year for a period of three days. Perhaps it's the only management institute under university setup which has the tradition of celebrating Ganesh festival.

Festival celebration started with setting up of well decorated mantap with lights and flowers at the GBS campus and installing the Ganesh Idol in the mantap on Monday September 09, 2013. The festival was celebrated with great enthusiasm by the management, staff and students by offering prayers and distributing Prasad on each day of the celebration. The three day festival celebration was concluded by immersing the Ganesh Idol in the pond.
