GBS reinforces its purpose of existence while celebrating

India's 67th Independence day

“Indian will be the youngest nation after few years with average age of population being 27 but this advantage can act as a boon or bane to the nation based on how we harness this power” says Director Dr.Ramakant Kulkarni. It is in this context he emphasized the critical role of GBS in creating responsible citizens than just qualified graduate.

Chairman Shri Ramesh Kothari was also present on the occasion who apart from doing the honors of hoisting the flag graced the occasion with his business wisdom. Chairman said that all business activities should keep the benefit of the country at the pivotal point, and abide by the law of land aiming towards making this country a better place to live in, hence the emphasis should be on inclusive growth, as since individual businesses grow only if the country grows.

After these enlightening speeches, followed cultural events by junior batch, with all seniors around to support and cheer them. Vice President Shri Bharat Jain and Secretary Shri Jitesh Jain were also present to pay their respect to tri color flag. Mr. Howard Wylde Director Discipline GBS, delivered the presidential remarks enlightening students with his reiterative remarks on utilizing the resources provided by the institute and utilize it to the fullest

Overall the event was a success, Kudos to the organizers for their unparalleled efforts and team work.
