

Celebrations at Global Business School, Hubli on the eve of India's 66th Republic day.

GBS celebrates India's 66th republic day and underscores the common spirit behind the celebrations for country and itself i.e. growth and achievements.

Juxtapose the journey travelled by Indian after its independence and formation of constitution with its journey of 9 years –close to decade, GBS believes that a strong guiding force for proper and fair governance is what leads any entity in the path of inclusive growth.

The atmosphere at the institute on this occasion was apparently filled with enthusiasm and love towards its mother land. The environment was further fortified with emuculate decoration and arrangements by the team of 1st year students who worked religiously to make this occasion a success.

Several thought provoking speeches were given by management members, Director, Dean, Director Placement and Director Discipline.

Chairman GEN Society Shri Ramesh Kothari emphasized on serving the nation in whatever way we can and in any capacity. He also conveyed message to the students saying “you are going to be the future of this country” so do every bit you can for the development without being only bothered about your own career and life.

Director GBS, Mr Uday Lawate expressed his proud felling of being an Indian and said that what else could be the real sense of growth than having for the first time women from defence force representing in special contingents in the parade exhibiting the country military strength and assets. He also appealed to all the students to join hands with the Swachh Bharat movement of Govt, which he believes should begin form, our own classes. Vice President GC Shri Bharat Jain also spoke on similar lines with more emphasis on avoiding tobacco in the campus.

Dean Dr.Manik brought the perspective of unity in diversity in his speech and told how and why India is great place to live in.

“The patriotism and love towards our country should reflect in every piece of work we do and in every minute that we spend for the execution of the task “Said Director Placement Mr. Nagaraj Goudar. He passed the message to student that affection towards the country is not only a matter of one day instead it should be a way of life

for all of us. He also recalled some of the anecdotes from his working stint at Australia that reflects the patriotism of Indians, he said that Indians while taking oath in Australian embassy for the citizenship face acute internal mind conflicts while accepting the terms of conditions for securing the foreign country citizen ships – where most of Indians do not accept the clause of supporting the foreign country during the war (against their own country India).

Dr.Ramakant Kulkarni Former director GBS also conveyed his Republic day best wishes to all the people who had gather for the occasion.

The event concluded with closing remarks by Director Discipline who said that quality education is something on which India's growth is contingent on.

Kudos to the organizing team of first year MBA, for their wonderful efforts of making this event a memorable one.GBS acknowledge their efforts and conveys best wishes to them for their future endeavours.

Glimpses of the celebrations.
