

GLOBAL BUSINESS SCHOOL, HUBLI
Celebrating Teachers Day on September 7th 2015

India is one of the most multifarious democratic countries in the world when it comes to culture. Global Business School, Hubli has set a tradition from the year of its inception to honor and felicitate the teacher of distinction to recognize the contribution in the field of teaching.

Keeping this tradition GBS has invited Prof. Mohan A Sidhanti, Principal K E Boards Degree College, Dharwad, who has given his 49 years of dedication to the K E Board society, as teacher. He also worked as General Secretary of Karnataka State P U College employee association till retirement.

While addressing the students Prof. M A Sidhanti has quoted,

- Discipline cannot be compromised, which is a major building block of student career.
- Respect your teacher and mother is your First teacher, respect her on teachers day.
- Importance of teacher in one's life and teacher – student relation.
- Communication is very important; to quantify communication to knowledge it is 3:2
- Learning is a continuous process and teacher always should look forward to learn and impart the same to the student.

- Fulfillment of the dreams of the child and their parents through teaching is the prime responsibility of the teacher.

On the occasion Prof. UdayLawate , welcome the Guest of the day and students and also spoke on the importance and significance of Teacher's day celebration. Prof. BhagavRevankar , student of the Guest introduced Ptof. M ASidhantiat the gathering. Further Prof. UdayLawate, Prof.RamakantKulkarni and Prof. Howard W, felicitated the guest. Prof. UdayLawate presented the gratitude towards the accepting the invitation and blessing the students.

Happy Teacher's Day
